MEMORANDUM FOR: Colonel White

An item which you might wish to check with the Director is the matter of reproducing for distribution the State of the Agency talk plus questions and answers. We are in the process of transcribing the tape. It therefore could be distributed here and/or overseas, the latter subject to suitable editing. We did not distribute the speech last year.

The processing of the film should be completed while the Director is away. We can plan to show it in the auditorium as was done last year.
